	SASS

WORK HISTORY

MICROSOFT TERRITORY MANAGER | MCCURRACH FIELD MARKETING AND SALES SOLUTIONS
MAY-2015 - NOV-2016, JUL-2018 - APR-2019 SEP-2021-JAN-2022

- Performed product demonstrations for clients and consumers, including in-store promotional events and one-to-one training.

- Created training content to educate in-store sales staff on new products, covering product specifications, effective demonstrations and successful sales techniques.

- Top Microsoft "Champion" brand ambassador for sales over FY2014-2015, selected for an overseas trip to NYC to meet Microsoft CEO, Satya Nadella, and be part of the Surface Book product launch in the USA.

FITNESS ADVISOR | GOODLIFE GYM'S CANADA
MAY 2019 – MAY 2021

- Building relationships and being able to determine client goals and provide achievable successful solutions.

- Data tracking of KPIs and goals using Tableau.

- Set clear and achievable using SMART goals.
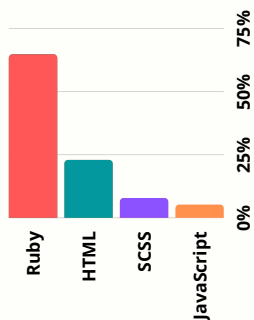

PROJECTS

MYCHEF

Created while studying at Le Wagon. I implemented, Chat, News Feed features and also the footer Navbar. MyChef is an app that brings the Chef into the spotlight.
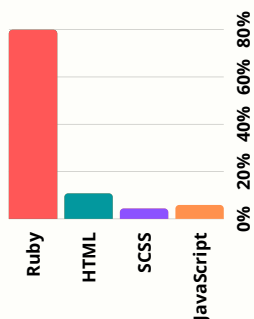

SuperDates

SuperDates is an app that allows you to book Super Hero's or Villan's like a date. Focused on coding the Chat feature and Map, also the styling of the booking forms.

Simple Airbnb

This application was created on the bases of a Airbnb concept. I wanted to gain more experience in creating marketplace applications.

ACADEMIC HISTORY

Le Wagon - London

Full Stack Web Developer | Jan-2022 - Mar-2022

9-week full-time intensive coding Bootcamp. Learning HTML, CSS, Bootstrap, JavaScript ES6, SQL, git, GitHub, Heroku and Ruby on Rails. Designed, implemented and shipped to production a clone of AirBnB and a Rails prototype.

MATTHEW BOULTON COLLEGE BIRMINGHAM UK

LEVEL 1-3 DIPLOMA ELECTRICAL INSTALLATION SEP-2013- JUL-2016

2-year part-time electrical installation course with City and Guilds. Learning how to work safely and effectively. Implementing design, construct, test and commission of electrical systems, using methods of supervision electrical science and principles. Ability to diagnose and repair electrical faults.
